

**BUILT TO SUIT YOUR
EVOLVING BUSINESS NEEDS.**

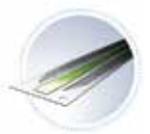

Enjoy low-cost, durable and reliable printing in high volume with the Epson WorkForce WF-C579R business printer. Deliver fast print speeds at 24ipm with a first colour page-out time in just 5.3secs. Reduce the need for replacing consumables with high capacity ink packs that help to lower running costs. With a range of printing and connectivity features, this printer is the ideal solution for workgroups that require hassle-free, low-maintenance and high volume printing.

IT'S IN THE DETAILS.
With PrecisionCore™ printhead technology, Epson WorkForce Pro WF-C579R excels with speed, quality and reliability.

PrecisionCore Printhead Technology
Experience reliability, durability and quality prints that meet the standards of business printing with PrecisionCore technology.

Innovative Replaceable Ink Pack System
Lower maintenance with high capacity ink packs from Epson's Replaceable Ink Pack System (RIPS) that yield up to 50,000 pages in black or up to 20,000 pages in colour at low running costs.

Built For The Environment
Extremely low power consumption and less replacement parts compared to laser printers mean a greater positive impact on the environment.

Fast, reliable and cost efficient, Epson WorkForce Pro business printers deliver outstanding print performance to edge out laser competitors. With an innovative print system and a wide range of connectivity features that allow you to print in high volume, WF-C579R is the printer of superior productivity, meeting your evolving business needs.

PrecisionCore Printhead Technology

PRECISIONCORE

PrecisionCore builds on Epson's longstanding reputation for output quality, at the speeds and reliability required for commercial and industrial printing.

This revolutionary technology enables the WF-C579R to print at blazing print speeds of up to 24ipm and a first page-out time of just 5.3 seconds in colour. What's more, each print chip is capable of generating up to 40 million precise dots per second to deliver fast printing speeds and excellent output quality.

With advanced built-in Nozzle Verification Technology, the monitoring of nozzle health and print quality adjustments are done automatically without interruption, even during printing. Productivity is further enhanced with a reliable maximum monthly duty cycle of 50,000 pages.

PrecisionCore Print Chip

Simple, cool, contactless technology

Complex technology using heat and pressure

Innovative Replaceable Ink Pack System

Convenience is a top priority. That's why Epson's Replaceable Ink Pack System (RIPS) is designed for easy, hassle-free ink replacements. With the standard ink packs giving you up to 10,000 pages in black and 5,000 pages in colour, users have the option to purchase high capacity ink packs that print up to 50,000 pages in black and 20,000 pages in colour. This minimises the downtime needed to replace the inks and enable greater cost savings.

In addition, Epson's DURABrite™ Ultra ink delivers laser-like quality prints that are water-, fade- and smudge-resistant.

Up to 20,000 pages in colour
Up to 50,000 pages in black

Enjoy greater cost-savings with these high-volume ink packs

Designed for easy replacement of ink packs

Built for the Environment

No Heating, Less Power Consumption & Simple to Use

Unlike laser printers, which require heat to fix toner on paper, inkjet printers do not need heat to operate. They are also fast and simple to use, which substantially reduces power consumption from minimal maintenance and fewer consumables.

Superior Productivity

Automatic Duplex Printing and Scanning

The printer supports automatic duplex printing of up to 15ipm for A4, reducing paper wastage. The one pass duplex ADF unit allows for quick, convenient scanning and copying of double-sided documents.

Versatile Paper Handling

Input paper capacity can be upgraded with an additional paper cassette to support up to 1,330 sheets input capacity. Paper of different sizes can be placed in the different cassettes for automatic selection. The rear tray enables the use of special media such as photo media.

USB Host Function

The WF-C579R comes with a USB port for direct printing, scanning and saving faxes using USB flash memory devices.

LCD Screen

Experience easy set-up and PC-less operation with the 4.3" colour touch screen.

Versatile Connectivity

Network Connectivity and Standalone Capability

Equipped with Ethernet, Wi-Fi, RJ-11 fax, Wi-Fi Direct and USB 2.0, the printer is perfect for office environments. What's more, Wi-Fi Direct acts as an access point, allowing up to four devices to connect directly to the printer at a time.

Epson Connect Enabled

Wirelessly print your documents from anywhere in the world with Epson Connect's wide range of features:

- **Epson iPrint** – Print from and scan directly to your smart device or online cloud storage services.
- **Epson Email Print** – Print to any Email Print-enabled Epson printer from any device or PC with email access.
- **Remote Print Driver** – Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.
- **Scan to Cloud** – Share your scans through email or store them online in cloud storage services.

Other mobile solutions:

- **Apple® AirPrint™**
- **Google Cloud Print™**
- **Mopria™ Print Service**

Advanced Workflow Solutions

Get the most out of your printers with an extensive range of software solutions.

Fleet Management

Epson Device Admin

A free software that allows you to control, analyse and manage your printer fleet centrally from one intuitive interface, designed to increase productivity and reduce costs.

Print Management

Epson Print Admin

A server-based solution that creates a secured centralised printing, scanning and copying environment through user-authentication. Advanced reporting functions can help organisations reduce printing costs and run Managed Print Programmes.

Document Management

Document Capture Pro*

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

*Document Capture Pro (Windows), Document Capture (Mac OS X)

Document Capture Pro Server

The WF-C579R is compatible with Document Capture Pro Server, making it easy to seamlessly and locally manage documents. Document Capture Pro integrates into document management and cloud storage systems, enabling you to capture, enhance, edit and distribute scanned documents effectively throughout your business.

Integration with Third-party Solutions

Epson Open Platform

Gain complete control of your printing operations via a range of third-party solutions that enable you to adapt the WorkForce Pro printers to meet specific and changing business requirements with solutions for print and document management.

Robust Security Features

Secured Printing with PIN Release

Print confidential documents by setting a PIN to a print job for release on the printer panel.

IP Address Filter

Secure your documents by preventing unauthorised devices from connecting to the printer.

Panel Admin Mode

Set a password to access and change administrator settings for the printer. This prevents unauthorised users from changing the printer settings.

Limited Access Function

Reduce risk of information leaks by limiting the access to functions for up to 10 user accounts.

LDAP Address Book

Prevent information leaks by using the address book registered in the LDAP server to accurately select recipient E-mail addresses.

Model Number	WF-C579R	
Printer Type	Print, Scan, Copy, Fax with ADF	
Printing	PrecisionCore Printhead	
Printing Technology	400 x 2 nozzles each colour (Black, Cyan, Magenta, Yellow)	
Nozzle Configuration	Bi-directional printing, Uni-directional printing	
Print Direction	4800 x 1200 dpi (with Variable-Sized Droplet Technology)	
Maximum Resolution	3.8 pl	
Minimum Ink Droplet Volume	Up to 34ppm / 34ppm	
Print Speed ¹	Up to 24ipm / 24ipm	
Draft Text - Memo, A4 (Black ¹ / Colour ²)	Up to 15ipm / 15ipm	
ISO 24734, A4 Simplex (Black / Colour)	ESC/P-R	
ISO 24734, A4 Duplex (Black / Colour)	PCL5c, PCL6, Compatible with PostScript Level 3, PDF (ver1.7)	
Printer Language	Up to 50,000 pages	
Emulation	Yes (up to A4)	
Maximum Monthly Duty Cycle ²		
Automatic 2-sided Printing		
Copying		
Copy Speed	Up to 22ipm / 22ipm	
ISO 29183, A4 (Black / Colour, Simplex)	Up to 22ipm / 22ipm	
ISO 24735, A4 (Black / Colour, 1:1)	Up to 14ipm / 14ipm	
ISO 24735, A4 (Black / Colour, 1:2, 2:2)	Text, Text & Image, Text & Image (Best), Photo	
Copy Quality	999 copies	
Maximum Copies from Standalone	25 - 400%, Auto Fit Function	
Reduction / Enlargement	600 x 1200 dpi	
Maximum Copy Resolution	A4, Letter	
Maximum Copy Size	Letter, A4, B5, A5, B6, A6, 16K, 13 x 18 cm, 16:9, 10 x 15 cm, #10, DL, C4, C6	
Copy Paper Size (Flatbed)		
Scanning		
Scanner Type	Flatbed colour image scanner	
Sensor Type	CIS

Dimensions & Weight
WF-C579R
Weight: 25.8kg (56.9lb)

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 The maximum number of printed pages per month based on the performance capabilities of the printer, including ISO rated print speeds and paper handling capabilities.

*3 Default mode in accordance with ISO 7779 for MFPs.

*4 In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
