

THE IDEAL PARTNER IN HEAVY-DUTY LABELLING SOLUTIONS.

The Epson LabelWorks™ LW-Z900FK label printer is engineered to fuse form and function – delivering superb print resolution at astounding speeds, the printer adapts well to a high-volume environment to perform continuous printing. Low operating cost is also a factor with the LW-Z900FK's capability to save on label cost. Epson tops it all with an ergonomic design and intuitive short-cut keys to deliver an experience that spells efficiency and productivity.

Autocutter

IT'S IN THE DETAILS.

Remarkable Productivity

Brilliant print speeds of up to 35mm/sec at superb print resolution ensures a quick turnaround time with no compromise on quality.

Minimal Operating Cost

Minimise label tape wastage with shorter print margin of 1mm and lead waste as low as 4mm* through the auto tape rewind function that retracts excess tape.

Engineered for Ease

Ergonomically designed, you can be assured of an efficient work process with little inconveniences.

*Applicable for selected tapes.

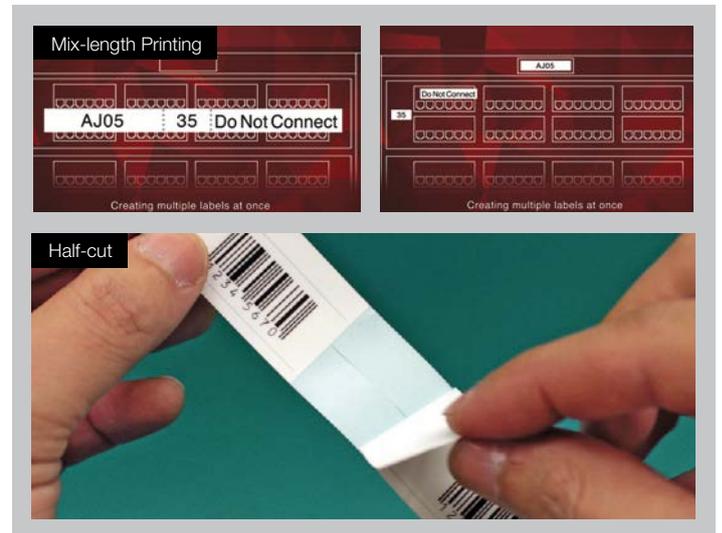

Catered to meet demanding industrial standards, the label printer is able to satisfy a wide array of needs by conforming to their application-specific requirements through the diverse range of label tapes that Epson offers.

Extraordinary Productivity

Print speeds of up to 35mm/sec at 360dpi resolution will allow for a quick turnaround time with exceptional print quality. Engineered for increased productivity with its intuitive half-cut, pull-and-print and drop-stop features, you can peel individual labels as they print or commit to continuous printing.

Epson's LW-Z900FK presents itself as an industry first with the option for mix-length printing to significantly save time by allowing you to create variable length labels in a single print.

Minimal Operating Cost

Minimise tape wastage and maximise cost-savings with a large backlit screen to preview printouts. Get more out of each roll of label tape with print margin of 1mm and lead waste as low as 4mm* through the auto tape rewind function that retracts excess tape. Epson's labels allow lasting longevity and contribute to more cost-savings by eliminating the need for constant replacement.

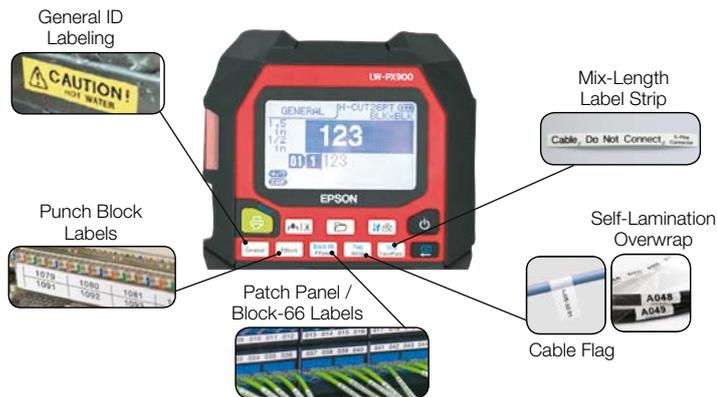

*Applicable for selected tapes.

Engineered for Ease

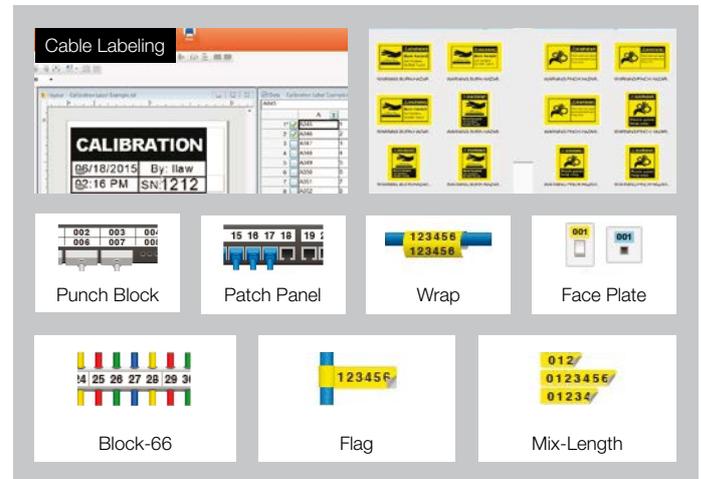

Intuitive Ergonomic Design

Configure your printouts quicker, with more efficiency through conveniently located short-cut keys to configure your printouts. Experience convenience through the ease of tape cartridge replacement from a front opening and the magnetic mounting capability.

Ultimate Versatility with Epson Label Editor

The LW-Z900FK comes bundled with the Epson Label Editor software for more customisable experience. The software comes with more than 70 pre-installed templates to create custom labels and also allows for more customisation of labels with its functionality to import images and barcodes.

Assorted Variety of Tapes

To complement the LW-Z900FK, Epson offers an assorted variety of high-quality labels in a diverse range of style, size and colours to let you create application-specific labels to accommodate your needs. Tape widths range of up to 36mm in standard, metallic and pastel colours. Taking industrial applications into considerations, Epson's comprehensive list offers cable-wrap, die-cut, heat shrink tapes, and magnetic tapes.

Model Number	LW-Z900FK	
Printing		
Technology	Thermal Transfer

Battery	6AA (Not Included)	
Consumables		
Li-ion Battery	Spec 1,950mAh	Order Code C52CE97010

* If print margin of label is set to 1 mm,
 - A 4 mm lead waste will be ejected when Half-cut function is switched on and a 19 mm lead waste will be ejected when Half-cut function is switched off.
 - For specialty tapes (HST, cable wrap and magnetic tape), a 19 mm lead waste will be ejected because Half-cut function is not available for such tape.

Dimensions & Weight
LW-Z900FK
Weight: 1.25kg / 2.75lb

Supplied Accessories

- Power Adapter
- USB Cable
- Installation Guide
- 1 x 12mm Black on White tape (4m)
- 1 x Li-ion Battery (1,950mAh)
- 2 x Magnetic Attachment
- Carrying Case
