Smart, stylish, compact

Enjoy crisp colour prints

If vivid colour documents are what you need, look no further. With resolutions of up to 1,200 x 6,000 dpi, your documents will give you that 'wow' factor every time. You can even print photographs directly onto photograph paper; no cutting required.

Print from anywhere at home

Each machine within the range boasts wireless connection and mobile compatibility, so you can print on the go quickly and easily. Additionally, anyone, such as a guest, can easily connect and print if a quick task is required.

Compact, yet feature rich

If you think you need a large, bulky device to enjoy a high specification multi-function device, think again. All at approximately (w)400 x (d)343 x (h)151mm, these compact machines come with a long list of useful features such as automatic document feeding, web connection, online scan functions and so much more.

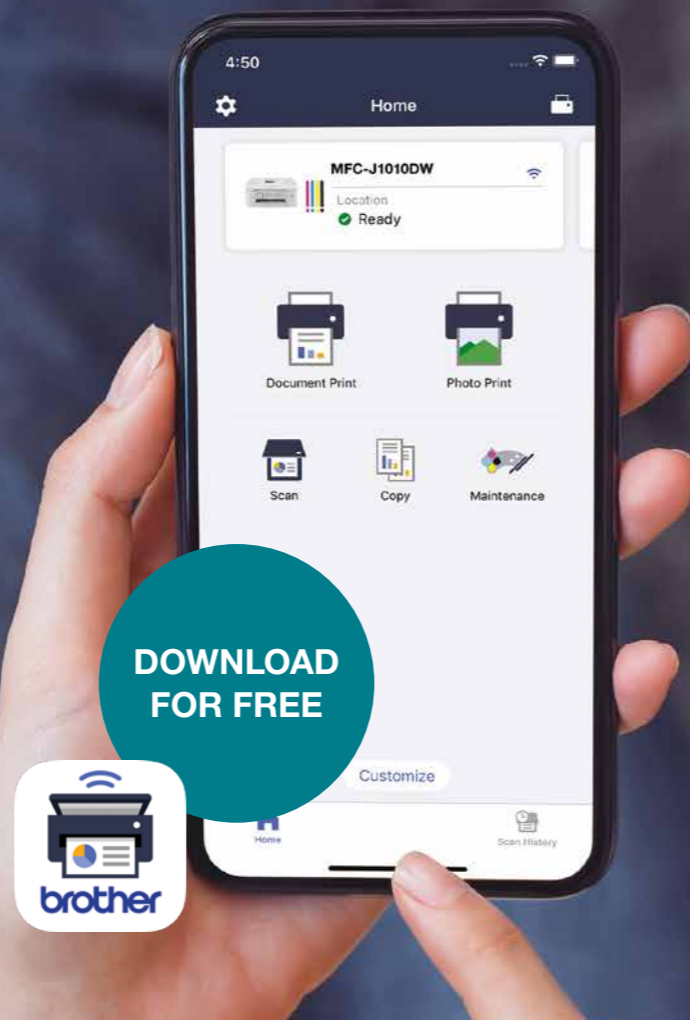

Flexible and simple to use

From the moment you unbox these devices to daily use, these devices are incredibly simple to use. After a quick set up, you can manage tasks via the colour LCD screen, or even via the new app, Brother Mobile Connect. Whether it's printing double-sided automatically, thus saving the environment and paper, or using the automatic document feeder for multi-page scanning, it will sure improve your flexibility, helping you to multi-task.
